MEMORANDUM FOR: Deputy Director for Administration

THROUGH : Chief, Interactive Systems Branch
Chief, Systems Programming Division
Deputy Director for Processing, ODP
Director of Data Processing

FROM : [redacted] STAT
Interactive Systems Branch, SPD/ODP

SUBJECT : Request to Appear Before a Non-Government Group

1. I request permission to appear before a non-Government group as provided for in [redacted] STAT

2. When approved, I will chair two meetings that are open to all attendees at the SHARE 60 Conference in San Francisco, California during the week of February 20th. I will be attending the conference as a representative of the Agency and I am serving as the Manager of the VM Group within the SHARE organization. The audiences are expected to be comprised of up to 500 persons from the United States and Canada representing organizations running large IBM computers. The meetings will be held in the San Francisco Hilton Hotel; the risk to employee safety is minimal. Members of the press are barred from attending sessions at this conference.

3. I will be moderating discussions; none of my remarks will be classified or controversial. The sessions that I am scheduled to chair are:

a. VM Group Opening. Representatives of SHARE member installations will discuss group business and technical issues of general interest to users of the VM/CMS computer system.

b. VM Group Closing. The events of the week will be reviewed and unresolved technical issues will be addressed.

In addition, I will chair several private meetings between IBM executives and selected representatives from SHARE member installations. The Agency runs the largest VM/CMS computer system in the world. It is through the visibility that we enjoy in organizations such as SHARE that we are able to attract skilled computer scientists to the Agency, as well as to influence the decisions of the computer vendors upon whom we are dependent.

STAT 4. I [redacted] will be identified as an Agency employee.
